Cllrs Stuart McCready and Jean Fooks outside the Cutteslowe Community Centre in Wren Road

Councillors Stuart McCready and Jean Fooks strongly support the work of the Cutteslowe Community Association. Both are City Council representatives on the management committee. Cllr Jean Fooks said "Community workers Liz Edwards and Anna Thornhill work very hard for Cutteslowe". The Association is always looking for volunteers to help with youth activities (especially homework club and art club) or to help with the very

active Seniors group.

Please email:

for further information.

The Community Association would like to have a website to tell people what is going on. Could **you** help set up and maintain a website for them? If so, Anna or Liz on 311172 would love to hear from you.

Cllr Stuart McCready added "It is **your** community centre so do use it!"
